Current Business Activities

Chief Economist, Dominion Lending Centres

(February 2015-Present)

Provide economic and financial analysis and media content for Dominion Lending Centres (DLC), Canada's national mortgage and leasing company with more than 2,700 members offering free expert advice across Canada. With access to more than 90 lending institutions, including big banks, credit unions and trust companies, DLC's licensed team of mortgage professionals is familiar with various available mortgage products. Dr. Cooper helps Canadians understand the issues surrounding their most important financial decisions.

Principal, Sherry Cooper Associates

(Jan 2013 to Present)

Public speaker, author, commentator and economic consultant.

Previous Business Experience

TMX Industry Professor of Financial Economics, DeGroote School of Business,

McMaster University

(October 2013 to 2017)

Contribute to research and commentary in economics and finance, spend time directly with students, advise the Dean and faculty on new programming and courses, and facilitate regular discussions between DeGroote faculty and the Bay Street financial community through the Finance@DeGroote Seminar Series in the Toronto financial district.

Executive Vice President, Chief Economist, BMO Financial Group

(2007 to Jan 2013)

Managed a team of sixteen professionals providing global economic forecasts and analysis. Responsible for numerous daily, weekly and monthly publications. Provided country risk and industry-risk analysis for the bank's Risk Committees. Consulted with the Bank of Canada and provincial and federal government bodies. Maintained a highly visible presence in the business communities of the U.S. and Canada through presentations and frequent coverage in print and broadcast media. Worked extensively with corporate boards. Spokesperson on economic and financial issues, and throughout Canada, the U.S., Europe and Asia giving more than 100 speeches and presentations each year—including a series of public interviews across Canada with former Federal Reserve Chairman Alan Greenspan.

**Chief Economist, BMO Nesbitt Burns and BMO Capital Markets
(1994-2007)**

Directed a top-ranking economics team providing analyses and forecasts of the global economy and financial markets for the trading operations of BMO Financial Group and its retail, institutional, corporate and government clients.

**Chief Economist and Director (1983 To 1994)
Vice Chair (1994)
Burns Fry Limited**

Led a group of 12 professionals who analyzed and forecasted Canadian and U.S. economic and financial developments in a global context for institutional and corporate clients and trading operations. Consultant to corporate boards and foreign central banks, and regularly testified before federal and provincial government bodies. Provided forecasts for Security Pacific National Bank and Bank of America (shareholders in Burns Fry), published several well-known economics reports and made more than 100 speeches and presentations worldwide each year. Appeared regularly on television news programs and was frequently quoted on radio and in Canadian and U.S. business press. Headed the development of fixed income research and systems capabilities for bond and money market operations globally.

**Co-Head Global Fixed Income
Burns Fry Limited
(1989 to 1993)**

In addition to the role as Chief Economist, led all fixed income sales and research operations worldwide, which included the capital markets groups in London, New York, Toronto, Montreal, Vancouver and Tokyo.

**Director of Financial Economics Federal National Mortgage Association (Fannie Mae)
Washington, D.C.
(1982 to 1983)**

Monitored and projected U.S. financial market developments, Federal Reserve and Treasury operations, Federal budget activities, and the monetary and credit aggregates. Prepared interest rate forecasts for the Asset and Liability Committee and analyzed developments in housing and capital markets.

**Economist, Board of Governors of the Federal Reserve System
Washington, D.C.
(1977 to 1982)**

Research in the U.S. housing and mortgage markets, monetary policy and regulatory policy regarding the savings and loan associations and the banking system. Presented analyses of money and capital markets to the Board of Governors at regular weekly briefings. During the credit-control period of 1980, served as Special Assistant to Chairman Paul Volcker, a business relationship which continues today. Mr. Volcker endorsed my book, *Ride the Wave*, in 2001 and presented me with the Lawrence Klein forecasting award in 2010.
